Experience

Tom Brophy Hair Salon / Front Desk & Sales

Jan 2022- March 2024, Located in Beverly Hills, CA 

As the Front Desk/ Sales Associate during my time at Tom Brophy Hair Salon, I managed a multitude of responsibilities: sales, employee schedules, cash organization, and customer service. I also assisted in cleaning up/ organizing stations and the store floor. I am experienced with POS systems and cash drawer management.

UCLA Architecture / Student Intern

Jul 2022 - Sep 2022, Hybrid: Located in the Westwood area and the UCLA campus 

I had the opportunity to participate in a 5-week integral program run by UCLA that allowed some High School students to live on campus while practicing Architecture. Through this, I was able to learn various architectural techniques as well as hear from and work with industry professionals. Within this 5-week program, I was prompted to create a potential Pavilion that would sit in the middle of the UCLA campus; we were challenged to use paper-folding skills and origami for the initial design. Through this opportunity, I was able to improve my design sketching skills as well as 3D rendering. I was also able to work on my presentation and PowerPoint skills.

YMCA of the USA / Community Volunteer

Dec 2021 - Mar 2022, Located @ YMCA Sherman Oaks, CA 📍

At the YMCA, I volunteered as both an academic tutor and physical activity leader for students in Pre-K through 5th grade with intellectual and developmental disabilities. I provided individualized academic support in reading, writing, and basic math, adapting lessons to each student's unique learning style and pace. I also organized and led inclusive physical activities designed to build motor skills, boost confidence, and promote social interaction. This experience helped me grow in patience, empathy, and creativity, while fostering a deep commitment to inclusive education and youth development.
